In consideration of the following:

- < The Adopter agrees to make all such improvements as are described in and agreed to by RIDOT.
- < All such work shall be in conformance with any and all landscape specifications as prescribed by RIDOT standard specifications for road and bridge construction.
- < RIDOT will have overall supervision of the work described.
- < No changes in the scope of work proposed may be made without prior approval of RIDOT.
- < RIDOT shall not assume any liability in connection with said tract of land until after said work plan has been completed, nor shall RIDOT assume any liability during maintenance and upkeep of said land.
- < RIDOT reserves the right to terminate this agreement at any time necessary.
